

IMPERIAL  
ARMOUR

## VOLUME THREE - THE TAROS CAMPAIGN

Hardback book detailing the Tau and Imperial forces, their equipment and the battles of the Taros Campaign.

IMPERIAL  
ARMOUR

## VOLUME THREE - THE TAROS CAMPAIGN

This 320 page hardback book provides in exacting detail, information on Tau vehicles, aircraft, their allies and the Tau Fleet. Also covered are new fighting machines of the Imperium. There is background, interior details, technical specifications, illustrations, colour schemes and rules for using all these vehicles and aircraft in games of Warhammer 40,000.

Heavily Illustrated with 120 colour and black and white pictures, 110 full colour vehicle profiles, over 80 technical drawings, plus organisation charts, tactics and scenarios to add new depth to the Warhammer 40,000 universe.

There are also army lists for the Elysian Drop Troops, the Tau forces in Epic, and additions to the Tallarn Imperial Guard regiments and Tau forces in Warhammer 40,000. Appendices contain all the rules you will need to use Super-heavy vehicles and aircraft in your games, as well as detailing matters as Tau colour schemes, markings and aircraft variants.'
