About the Models

Most of the models in this catalogue are shown painted. All models are supplied unpainted. All miniatures are shown at ACTUAL SIZE, unless otherwise noted. All models that require a base are supplied with the correct plastic Citadel Miniature slottabase.

The models shown in this catalogue are shown assembled. This is not how they are supplied. All models will require some assembly. Most models require nothing more complicated than affixing the miniature to its plastic base.

THOUSANDS OF PRODUCTS

THREE WAYS TO BUY THEM ALL

The full Games Workshop hobby range now contains literally thousands of products with more added every month. There are three ways in which you can buy anything from our complete range.

1

AT GAMES WORKSHOP HOBBY CENTRES

- **Range of products**

All our centres stock a large range of Warhammer 40,000, Warhammer and The Lord of The Rings games and models as well as all the hobby materials you need to collect, build and paint your armies.

- **In-store order point**

Many of our stores have a Mail Order in-store order point which you can use to access our entire range, including Specialist Games, Collectors and Bitz Packs allowing you to individualise your Warhammer, Warhammer 40,000 and The Lord of The Rings forces.

- **Free painting & modelling advice**

No matter what your level of painting or modelling skill, if you spend 30 minutes with one of our members of staff you will see those skills improved and might find out something you never knew!

- **Free gaming & tactics advice**

All our staff are experienced gamers (after all it's what they do for a living!). They can give you sound tactical advice, help you build battle-winning armies and clear up most of your rules queries.

- **Free beginners programme**

Our special Beginners' programme teaches you how to play and helps you take your first steps into the Games Workshop hobby. The programme runs regularly and there are also points in the week when you can indulge in more gaming too. All you need to do is come along!

- **Gaming Rooms**

Like regular Hobby Centres, all Gaming Rooms provide the full range of Games Workshop services. However they are larger than a normal Hobby Centre and have many tables, which makes them perfect for meeting fellow hobbyists.

A selection of our most popular products are also available through independent local toy and hobby stores. To find your nearest local store, gaming club or Hobby Centre please go to our website at: www.games-workshop.co.uk/storefinder
