If you decide to use the gloom prism it can only be located in the middle 2 holes.

Si vous optez pour le prisme de noirceur, il devra être collé aux deux cavités centrales.

Si decides usar el prisma de penumbra, solo puede situarse en el centro de los dos agujeros.

Das Zwieltchprisma passt nur in die zwei Löcher in der Mitte.

Se vuoi usare il prisma dell'angoscia, puoi collocarlo solo nei 2 fori in mezzo.

薄暮のプリズムを使用することにした場合、真ん中にある2つの穴だけに取り付けられる。

Fabricator claws can be attached in any location.

La panoplie de pinces peut être collée à votre guise.

Las garras de reparación pueden pegarse en cualquier localización.

Die Fabrikatorklauen können beliebig angebracht werden.

Gli artigli Fabricator possono essere collocati ovunque.

製造者の爪はどの場所にも取り付けられる。
