ULTRAMARINES LEGION HERALD

125 POINTS

At the Battle of Calth, the massed forces of the Ultramarines Legion were torn apart by the treacherous Word Bearers Legion. Many brave Sons of Guilliman fell in battle that day, whilst others, such as the Legion's Heralds, fought on, becoming rallying points amidst the carnage and devastation.

Legion Herald	5	5	4	4	2	5	3	9	2+

Unit Composition

- 1 Legion Herald Consul

Unit Type

- Infantry (Character)

Wargear

- Bolt pistol
- Power sword
- Refractor field
- Frag and Krak grenades
- Artificer armour

Special Rules

- Legiones Astartes (Ultramarines)
- Rite of Command
- Fallen Honour
- Banner of the Aquila
- Independent Character
- Legion Support Officer

Banner of the Aquila: The Loyalist Herald and any Loyalist unit with the Legiones Astartes special rule within 12" add +1 to their WS characteristic (to maximum of 5).

Fallen Honour: Should a Herald be slain, the honour and morale of their compatriots is compromised. If a Herald is slain, an additional Victory point is scored by the opposing player in missions where Victory points are in use.
