• READ THIS FIRST • À LIRE EN PREMIER • LEER ANTES DE MONTAR • LIES DIES ZUERST • LEGGI PRIMA QUESTO

• BEFORE ASSEMBLING YOUR MINIATURES PLEASE READ THROUGH THE INSTRUCTIONS IN THIS BOOKLET CAREFULLY.

A pair of plastic cutters is required to remove the plastic components in this kit from their frame. We advise using a mouldline scraping tool to clean up the parts. To assemble your model you will need plastic glue. Games Workshop sells Citadel Fine Detail Cutters, Citadel Mouldline Remover and Citadel Plastic Glue, but does not recommend these products for use by children under the age of 16 without adult supervision.

• AVANT D'ASSEMBLER VOS FIGURINES, VUEILLEZ LIRE ATTENTIVEMENT LES INSTRUCTIONS DE CE LIVRET.

Une pince coupante est requise pour détacher chaque élément de sa grappe. Nous vous recommandons l'utilisation d'un grattoir pour ébarber les éléments. Pour l'assemblage, vous aurez également besoin de colle plastique. Games Workshop commercialise les Pinces de Précision Citadel, l'Ébarboir Citadel et la Colle Plastique Citadel, mais n'en recommande pas l'utilisation pour des enfants de moins de 16 ans sans la supervision d'un adulte.

• POR FAVOR, LEE CUIDADOSAMENTE ESTE LIBRETO DE INSTRUCCIONES ANTES DE EMPEZAR A MONTAR LAS MINIATURAS.

Te harán falta unas tenazas para plástico a fin de separar las piezas de la matriz. También aconsejamos una herramienta para rebabas a fin de limpiar cada pieza. Para montar la miniatura necesitarás pegamento para plástico. Games Workshop vende Tenazas Citadel, Herramientas para rebabas Citadel y Pegamento para plástico Citadel, pero no recomienda estos productos a menores de 16 años sin la supervisión de un adulto.

• VOR DEM ZUSAMMENBAU DER MINIATUREN BITTE DIE ANWEISUNGEN IN DIESER ANLEITUNG AUFMERKSAM DURCHLESEN.

Du benötigst einen Kunststoffseitenschneider, um die Kunststoffbauteile aus dem Gussrahmen herauszutrennen, und Kunststoffkleber, um die Miniatur zusammenzubauen. Außerdem empfehlen wir, die Bauteile vorher mit einem Gussgratentferner zu säubern. Games Workshop bietet Präzisions-Kunststoffseitenschneider von Citadel sowie Citadel-Kunststoffkleber an, empfiehlt aber, dass Kinder unter 16 Jahren diese nur unter Aufsicht eines Erwachsenen benutzen.

• PRIMA DI ASSEMBLARE LE TUE MINIATURE LEGGI ATTENTAMENTE TUTTE LE ISTRUZIONI DI QUESTO LIBRETTO.

Sono necessarie un paio di tronchesine per plastica per staccare i componenti dai loro sprue. Consigliamo di usare un attrezzo apposito per pulire i componenti. Per assemblare il modello avrai bisogno di colla per plastica. Games Workshop vende Tronchesine di precisione Citadel, Attrezzo per ripulire Citadel e Colla per plastica Citadel, ma non consiglia questi prodotti ad un pubblico minore di 16 anni senza la supervisione di un adulto.

Gun Butt	1"	1	4+	5+	-	1

DESCRIPTION

A unit of Grundstok Thunderers has 5 or more models. Each Grundstok Thunderer is armed with an aethermatic weapon, whether the signature Aethersholt Rifle, an Aetheric Fumigator, a Decksweeper, an Aethercannon or a Grundstok Mortar. If any enemies survive their devastating fusillades, they resort to bashing in skulls with their Gun Butts.

GUNNERY SERGEANT

The leader of this unit is the Gunnery Sergeant. A Gunnery Sergeant makes 4 attacks rather than 2 with an Aethersholt Rifle.

HONOUR BEARER

Models in this unit can be Honour Bearers. You can re-roll battleshock tests for a unit of Grundstok Thunderers that includes any Honour Bearers.

ABILITIES

Drillbill: A unit of Grundstok Thunderers can be accompanied by an aethermatic bird known as Drillbill, which perches upon the shoulder of one of the duardin. When the unit is threatened, the Drillbill whirrs to life, pecking at the enemy's vulnerable spots. If any enemy unit ends its charge within 1" of a unit with a Drillbill, roll a dice. On a 2 or more the unit suffers a mortal wound.

Keep Your Distance: When this unit is chosen to make attacks in the combat phase, they can instead retreat, making a move (including running if you wish) as if it were their movement phase. They may not embark as part of this move.

DESCRIPTION

Une unité de Grundstok Thunderers se compose de 5 figurines ou plus. Chaque Grundstok Thunderer est équipé d'une arme éthermétique : le classique Fusil à Munitions Éthéériques (Aethersholt Rifle), un Fumigateur Éthéérique (Aetheric Fumigator), une Balayeuse (Decksweeper), un Éthercanon (Aethercannon) ou un Mortier Grundstok (Grundstok Mortar). Si l'ennemi survit à leurs fusillades dévastatrices, ils se résolvent à fendre des crânes avec les Croisses (Gun Butts) de leurs armes.

GUNNERY SERGEANT

Le leader de cette unité est appelé Gunnery Sergeant. Il effectue 4 Attacks au lieu de 2 avec un Fusil à Munitions Éthéériques.

PORTE-HONNEURS

Des figurines de cette unité peuvent être des Porte-honneurs. Vous pouvez relancer les tests de déroute pour une unité de Grundstok Thunderers qui inclut au moins un Porte-honneur.

APTITUDES

Drillbill: Une unité de Grundstok Thunderers peut être accompagnée par un Drillbill, un oiseau éthermétique qui se pose sur l'épaule d'un des duardins. Lorsque l'unité est menacée, le Drillbill s'anime en vrombissant, et va picorer les points faibles de l'ennemi. Si une unité ennemie finit sa charge à 1" ou moins d'une unité avec un Drillbill, jetez un dé. Sur 2 ou plus, l'unité en charge subit une blessure mortelle.

Gardez Vos Distances : Lorsque cette unité est choisie pour attaquer à la phase de combat, elle peut se replier à la place; elle effectue alors un mouvement (et peut même courir si vous le souhaitez) comme s'il s'agissait de la phase de mouvement. Toutefois, ce mouvement ne lui permet pas d'embarquer.

DESCRIPCIÓN

Una unidad de Grundstok Thunderers tiene 5 miniaturas o más. Cada Grundstok Thunderer está armado con un arma aethermática, ya sea el típico rifle tiroaéreo (Aethersholt Rifle), un fumigador aéreo (Aetheric Fumigator), un barrecubiertas (Decksweeper), un cañón de aero (Aethercannon) o un mortero Grundstok (Grundstok Mortar). En caso de que algún enemigo sobreviva a sus letales andanadas, no tendrán reparos en aplastarle la cabeza con las culatas de sus armas (Gun Butts).

GUNNERY SERGEANT

El líder de esta unidad es un Gunnery Sergeant. Un Gunnery Sergeant hace 4 ataques en lugar de 2 con un Aethersholt Rifle.

HONOUR BEARER

Las miniaturas de esta unidad pueden ser Honour Bearers. Puedes repetir los chequeos de acobardamiento de una unidad de Grundstok Thunderers que incluya algún Honour Bearer.

HABILIDADES

Drillbill. Una unidad de Grundstok Thunderers puede ir acompañada de un pájaro aethermático conocido como Drillbill, que se posará en el hombro de uno de los duardin. Cuando la unidad se ve amenazada, el Drillbill chirría y cobra vida, lanzándose a picotear los puntos débiles del enemigo. Si una unidad enemiga acaba su carga a 1" o menos de una unidad con Drillbill, tira un dado; con un 2 o más, la unidad sufre una herida mortal.

Mantened la distancia. Cuando elijas a esta unidad para atacar en la fase de combate, puedes hacer que se retiren. Para ello hacen un movimiento (pueden correr, si lo deseas) como si fuera su fase de movimiento. No pueden embarcar durante este movimiento.

BESCHREIBUNG

Eine Einheit Grundstok Thunderers besteht aus 5 oder mehr Modellen. Jeder Grundstok Thunderer ist mit einer aethermatischen Waffe ausgerüstet, ob mit dem charakteristischen Aethersholt Rifle, einem Aetheric Fumigator, einem Decksweeper, einer Aethercannon oder einem Grundstok Mortar. Wenn Feinde das verheerende Feuer überleben sollten, können die Thunderers ihnen immer noch mit Gun Butts den Schädel einschlagen.

GUNNERY SERGEANT

Der Anführer dieser Einheit ist ein Gunnery Sergeant. Der Gunnery Sergeant führt mit einem Aethersholt Rifle 4 Attacken durch statt 2.

EHRENZEICHENTRÄGER

Modelle in dieser Einheit dürfen Ehrenzeichenträger sein. Für eine Einheit Grundstok Thunderers, die Ehrenzeichenträger enthält, darfst du Kampfschocktests wiederholen.

FÄHIGKEITEN

Bohrschnabel: Eine Einheit Grundstok Thunderers kann von einem aethermatischen Vogel begleitet werden, der Bohrschnabel genannt wird. Dieser hockt auf der Schulter eines Duardin, und wenn die Einheit bedroht wird, erwacht er surrend zum Leben und pickt mit dem Schnabel nach den verwundbaren Stellen des Feindes. Wenn eine feindliche Einheit ihre Angriffsbewegung innerhalb von 1" um eine Einheit mit Bohrschnabel beendet, wirf einen Würfel. Bei 2 oder mehr erleidet die feindliche Einheit eine tödliche Verwundung.

Abstand halten: Wenn diese Einheit in der Nahkampfphase gewählt wird, um zu attackieren, kann sie sich stattdessen zurückziehen. Dabei bewegt sie sich wie in ihrer Bewegungsphase (und darf auch rennen, falls du möchtest). Diese Bewegung darf nicht benutzt werden, um an Bord zu gehen.

DESCRIZIONE

Un'unità di Grundstok Thunderers include 5 o più modelli. Ogni Grundstok Thunderer è armato con un'arma etermatica, che sia il classico Aethersholt Rifle, un Aetheric Fumigator, un Decksweeper, un Aethercannon o un Grundstok Mortar. Se qualche nemico sopravvive alla loro tempesta di proiettili, possono sempre spaccargli il cranio con i Gun Butts.

GUNNERY SERGEANT

Il leader di questa unità è il Gunnery Sergeant. Un Gunnery Sergeant effettua 4 attacchi anziché 2 con l'Aethersholt Rifle.

HONOUR BEARER

I modelli di questa unità possono essere Honour Bearers. Puoi ripetere i test di shock effettuati da un'unità di Grundstok Thunderers che include uno o più Honour Bearers.

ABILITÀ

Drillbill: un'unità di Grundstok Thunderers può essere accompagnata da un uccello etermatico conosciuto come Drillbill che si appollaia sulla spalla di uno dei duardin. Quando l'unità è sotto attacco, il Drillbill prende vita e becca i punti vulnerabili del nemico. Se qualsiasi unità nemica termina la carica entro 1" da un'unità con un Drillbill, tira un dado. Con 2 o più l'unità subisce una ferita mortale.

Mantenete le Distanza: quando quest'unità viene scelta per sferzare attacchi durante la fase di combattimento, può invece ritirarsi muovendosi come se fosse la sua fase di movimento (può anche correre se vuoi). Non può imbarcarsi come parte di questo movimento.
