HELL TALON

Product code : IA-CSM-F-002

The copyright on the model designs and components within this box is the exclusive property of Games Workshop Ltd. Copyright Games Workshop Ltd., 2004. All rights reserved.

NOTE: We have included a sheet of Perspex that you can cut to fit the cockpit windows.

NOTE: The model shown is pre-production, and does not feature the undercarriage fins shown. These fins attach to the grooves on each side of the weapons cowling.

This kit contains all the pieces required to produce the Hell Talon. To glue the resin pieces together use Citadel Super Glue.

NOTE: We have cast this kit using the most advanced techniques and the best quality resin, but due to the nature of the casting process your model may contain very slight air bubbles. These can easily be filled with model filler or super glue. Any slight warpage of thin parts can easily be corrected by immersing the part in hot tap water for about 1 minute then carefully bending it back into shape.

THIS IS NOT A TOY

Not suitable for children under 15 years of age.

WARNING: Resin dust can be harmful if inhaled. Always wear a dust mask or respirator when sanding or sawing resin parts.
