! Parts 16 and 17 can be painted while still on the sprue. The transparent shield can be attached after these parts have been painted.

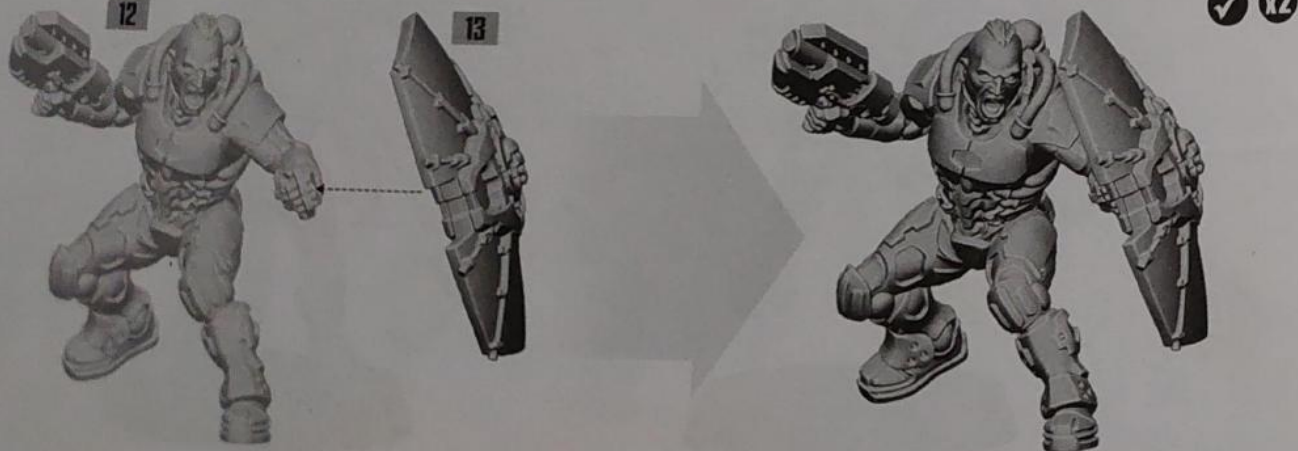

Les éléments 16 et 17 peuvent être peints directement sur la grappe. Le bouclier transparent peut être fixé après que ces éléments aient été peints.

I componenti 16 e 17 possono essere dipinti ancora sullo sprue. Lo scudo trasparente può essere attaccato dopo che questi componenti sono stati dipinti.

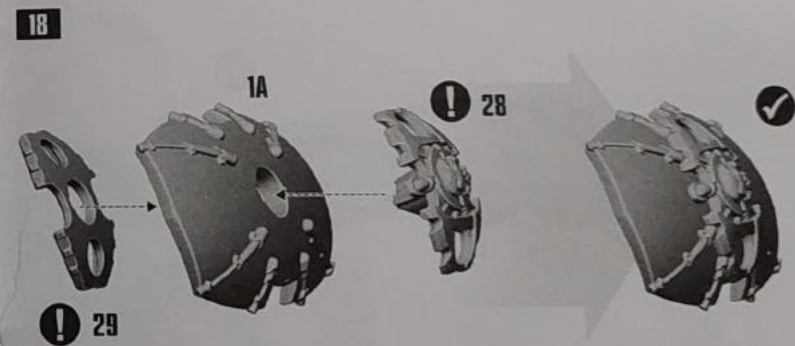

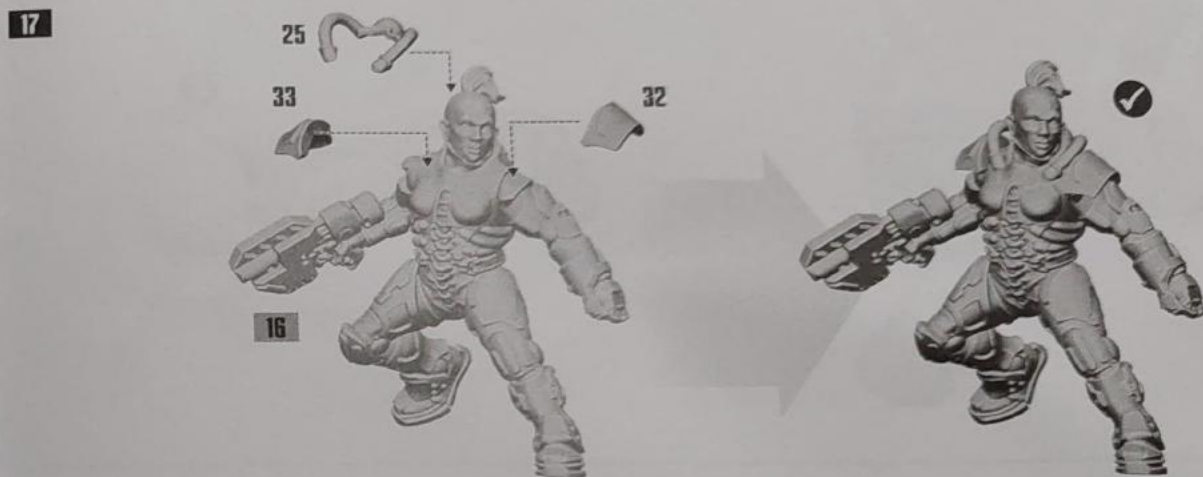

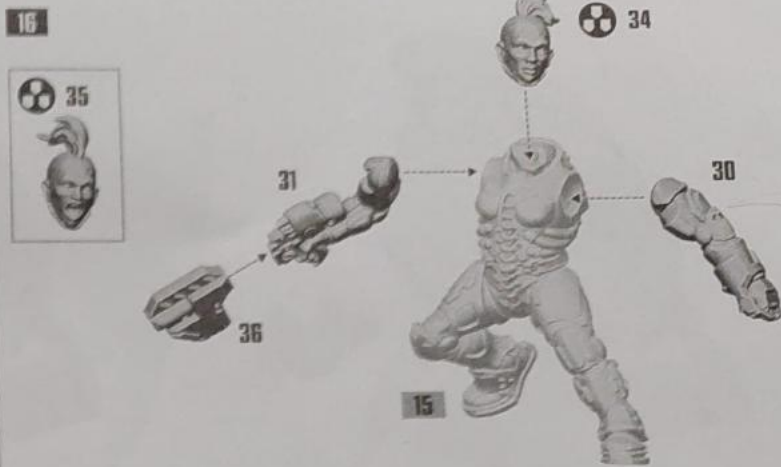

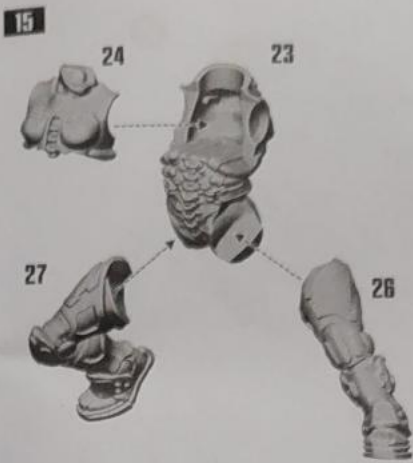

Teile 16 und 17 können im Gussrahmen bemalt werden. Der transparente Schild kann angebracht werden, nachdem diese Teile bemalt wurden.

Las partes 16 y 17 se pueden pintar mientras están en la matriz. El escudo transparente se puede añadir después de pintar estas partes.
